

ESMEC 2024 - European School of Medicinal Chemistry - 43rd Edition

The Medicinal Chemistry Division of the Società Chimica Italiana is organizing, with the support of the European Federation for Medicinal Chemistry and Chemical Biology (EFMC), the 43rd Edition of the European School of Medicinal Chemistry (ESMEC 2024), an EFMC Certified School.

The ESMEC is addressed to PhD students and young researchers from both Academia and Industry, with the aim of covering hot topics and new methodologies in medicinal chemistry. To achieve these very ambitious goals, the School is divided into thematic sessions.

Informazioni Organize by: Division of Medicinal Chemistry of the Società Chimica Italiana

Luogo: Urbino (Italy)

Dal: 30 June, 2024

Al: 4 July, 2024
