

E-WISPOC 24

The logo for E-WISPOC 24 features a dark blue background. At the top left, the text "E-WISPOC 24" is written in a large, white, sans-serif font. To its right, the dates "February 4 – 9, Bressanone" are written in a smaller white font. Below the title, the full name "European-Winter School on Physical Organic Chemistry" is written in white. The central graphic consists of a white wave-like line that oscillates across the page. Several molecular models are integrated into the design: some are placed within the peaks and troughs of the wave, while others are connected to the wave by thin white lines. The molecular models are rendered in white and light blue, showing complex organic structures. At the bottom of the graphic, the tagline "Transforming our Future: Emergent Multi-Functional and Complex Systems" is written in a white, italicized font.

E-WISPOC 24 February 4 – 9, Bressanone
European-Winter School on Physical Organic Chemistry
*Transforming our Future:
Emergent Multi-Functional and Complex Systems*

Informazioni **Organizzazione:** SCI-Division of Organic Chemistry - University of Padova

Luogo: Bressanone (BZ, Italy)

Dal: 4 Febbraio, 2024

Al: 9 Febbraio, 2024
